**CLOSURE REPORT, REMOVAL OF WASTES AT SITES 20 AND 26B, OPERABLE
UNIT #2, MARCH AIR FORCE BASE (MAFB)**

Dear Mr. Hiebert:

The California Environmental Protection Agency (Cal-EPA) has completed the review of the above subject document dated February 1996 and prepared by International Technology Corporation (IT).

We have determined that all appropriate response actions have been completed to a level compatible with land use. We do not have any significant comments, and hereby, approve this document as written. Enclosed is a memorandum from the California Regional Water Quality Control Board (CRWQCB), Santa Ana Region.

We are looking forward to working with you to expedite the removal activities at March Air Force Base (MAFB). If you have any questions or concerns, please contact Mr. Emad Yemut at (310) 590-4915.

Sincerely,

A handwritten signature in black ink, appearing to read 'John E. Scandura', written over a horizontal line.
